Identification of the players

The identification of players of each team will be done only one time by the Organizing Committee.

The teams must take the field 10 minutes prior to kick-off time. Any case of delay exceeding 5' from the scheduled kick-off time will be carefully evaluated by the Organizing Committee and the team that was not present at the right time could lose the match by forfeit with the score of 0-3. A match cannot start if neither team has a minimum of eight players on the field ready to play. Players sent off

If or when a player is sent off by the referee, he will not be allowed to play again in the same match, but, in principle, will be allowed to play the next match, unless heavier sanctions are decided against him by the Organizing Committee. Players, coaches, officials or teams who are held responsible for violent acts against other players, referees or tournament staff could be immediately excluded from the Tournament. Kindly refer to general tournament rules and regulations under separate cover.

Also: The organizing committee reserves the right to change the format of the tournament if it is in the best interest of competitors and based on organizational needs. The team will obviously be warned of the changes in time.

Every coach and player must take note of the rules of the game with the exceptions above. With this document we would like to acknowledge that you know and are aware of the rules of the game and accept them for this Championship.
