DISCUSSION PER POINT:

- 1) Hosting City 2019
- 2) Candidate Hosting City 2020-2021
- 3) Compulsory sports and Promotional sports
- 4) Suggestion on Sport Event
- 5) Other

1) **Hosting City 2019:** by now, the Candidate cities are Paris and Budapest. The participants talked about the pros and cons of both cities, taking into consideration that the bidding process is opened yet.

2) **Candidate Hosting City 2020_2021:** the participants talked about the future hosting cities, and everyone agrees that the host city should be a large and attractive city, with an adapt sport centers system.

3) **Compulsory sports and Promotional sports:** the participants suggested to introduce beach volleyball in the next editions of the Championships. IUSC Committee agrees to introduce one new promotional sport per year, according to the hosting city sport centers/availability.

4) Suggestion on Sport Event:

- Request to have some fields/sport centers to warm up and practice. Of course, it depends on the availability of others sport centers during the Championships
- Request to make Tennis Championships indoor and not outdoor. As before, it depends on the sport centers in the hosting city
- All agreed to change the hosting city after maximum 2 consecutive years
- Possibility to reward the best player in all the Championships

5) Other:

- Finally, the discussion turned on the difficult to have VISA from the Extra Europe Countries, and all the long burocracy around it
